How does it work?

- The ENDOW Mississippi tax credit applies only to gifts made for permanent, endowed funds. These gifts will generate many times their initial value and will always benefit Mississippi.
- You may apply for the ENDOW MS tax credits prior to making the approved donation.
- Minimum gift is $1,000 ($250 credit) Maximum is $200,000 ($50,000 credit)
- Gifts can go to any endowment (previously existing or a newly created).
- An endowed fund at a Community Foundation is defined as one that benefits Mississippi charitable causes, is intended to exist in perpetuity and has an annual granting policy less than or equal to 5%.
- There are LIMITED number of ENDOW Mississippi state tax credits to share for the entire state on a first come first service basis. We encourage anyone who is interested to contact us promptly to receive your application before all the credits are claimed.
The Mapp Family Foundation has awarded a 2020 Challenge Match of up to $200,000 in donations to the Pinebelt Foundation’s own endowment. You can multiply your gift \( \times 2 \). This endowment secures the present and future of your community’s foundation and charitable partner.

Your gift to our operational endowment helps to ensure the lasting presence of the Pinebelt Foundation which distributes over $2 million dollars annually to build houses, care for the sick, educate students and support local charitable work.

Your gift will qualify for a 25% state credit through the ENDOW MS program. There are a limited amount of credits available for any gift between $1,000 - $200,000 into an endowed fund at a community foundation in MS. You should apply for your tax credits early to secure them, as it is first come- first serve.

There has never been a better time to support your community’s own foundation.
